Guidance in respect of fees to be collected from direct second year students against lateral entry students.

Reference:

1. Shikshan Shulka Samiti meeting dated 3rd December, 2013, Item No. 5(b)
2. Fees Regulating Authority meeting dated 27th March, 2018, Item No.6(ii)
Resolution (1) Clarification.

This Authority is in receipt of queries regarding fees to be collected from the students directly admitted to 2nd year against lateral entry-vacancies.

The subject is clarified already in the above referred meetings.

1. Prior to A.Y. 2016-17 (when Shikshan Shulka Samiti existed).

Clarification:

It is clarified as under, for example if a student joins first year say in 2012-13 and fee approved is Rs.80,000/-. He goes in the second year in 2013-14. His fee in the 2nd year would be Rs.80,000/- + 8% in the year 2013-14.

If a student joins 2nd year directly say in 2013-14, then he will be required to pay Rs.80,000/- + 8% i.e. Rs.86,400/- only. Thus, if a student joins 2 year directly then he will be required to pay the same fee as his other colleagues i.e. Rs.86,400/-. The basic principle is all students of a class should pay the same fee.

2. From A.Y. 2016-17 onwards (After formation of Fees Regulating Authority)

Clarification:

Illustration: If fees for Engineering Course A.Y. 2017-18 is declared as Rs.80,000/, it shall remain the same till completion of the course.

If the student is admitted to 2nd year through lateral entry in the A.Y. 2018-19 then the fees for him shall be the fees applicable to the regular student of A.Y. 2017-18 batch, that means Rs.80,000/-.

With above principle it is ensured that whatever fee is declared for the batch of 2017-18 i.e. Rs.80,000/- shall continue to apply to the regular students as well as to the student directly admitted to 2nd year through lateral entry in A.Y. 2018-19.
