No. General Notice/2017/2283

Date : 26/12/2017

GENERAL NOTICE

Clarification in the matter of incentive for early submission of online application.

While publishing revised norms approved on 26/7/2017, it was proposed to give incentive for early submission of fee proposal. In this regard it is clarified that the incentives as mentioned at item no 16 in revised norms were to be acted upon in ideal situation. For that it was expected that online portal of this authority was available atleast with effect from 1/8/2017. In that event only the slab of incentive given at item no 16 would have been practical /workable, since the last date for submission of proposal as provided under sec 14 (1) (a) is 31st October. However because of the administrative and technical difficulties this Authority could not open its online portal till 9th October 2017. In that view of the matter the slab of incentives automatically becomes redundant.

All concerned to note.
