" We thus hold that the management could select students, of their quota, either on the basis of the common entrance test conducted by the State or on the basis of a common entrance test to be conducted by an association of all colleges of a particular type in that State e.g. medical, engineering or technical etc. The common entrance test, held by the association, must be for admission to all colleges of that type in the State. The option of choosing, between either of these tests, must be exercised before issuing of prospectus and after intimation to the concerned authority and the Committee set up hereinafter. If any professional college chooses not to admit from the common entrance test conducted by the association then that college must necessarily admit from the common entrance test conducted by the State. After holding the common entrance test and declaration of results the merit list will immediately be placed on the notice-board of all colleges which have chosen to admit as per this test. A copy of the merit list will also be forthwith sent to the concerned authority and the Committee. Selection of students must then be strictly on the basis of merit as per that merit List".
