**Item No. 8(c): To consider and decide on proposals under scrutiny of the office.**

Office to scrutinize and place the proposals before Samiti in due course.

**Item No.9:** **To consider and decide on the following matter with the permission of the Chair.**

**Item No. 9(a):** **To consider and decide the following letters in respect of a request to permit admissions to Nursing courses who did not appear CET for the Academic Year 2012-13.**

- i) **Letter dated 4<sup>th</sup> March 2014 received from Medical Education and Drugs Department, Government of Maharashtra.**
- ii) **Letter dated 4<sup>th</sup> March 2013 received from Association of Management of Unaided Nursing Colleges, Pune.**

Samiti perused the aforesaid letters in respect of a request to permit admission to Nursing courses who did not appear CET for the Academic Year 2012-13. Samiti also perused the Hon'ble High Court order dated 13<sup>th</sup> December 2013 in Writ Petition No. 11495 of 2012; relevant portion of the said order are as under:

*"Para : 11*

*We are of the opinion that the Committee/ Samiti has not committed any error apparent on the face of record or perversity in holding that it is created for ensuring that the students are enrolled and admitted strictly in accordance with the merit list maintained pursuant to the Entrance Test which have been conducted by the State Government or other competent authorities including the Association of Managements of Private Institutions. The students coming to the Samiti de-hors this examination process/ Entrance Test and seeking admissions to colleges against the vacant seats, is a matter which is beyond the purview of the Samiti. The Samiti has, therefore, refused to oblige the students for this year. We do not see an error in this approach of the Samiti and equally we find no legal basis for the reliefs claimed. We are unable to entertain these Writ Petition, Leaving other courses open to the Managements and students including to approach the State Government and other Competent authorities and seek their intervention so as to sort out their difficulties, those Writ Petitions are dismissed. Our orders do not prevent the students from initiating appropriate proceedings against the Managements and State and to seek appropriate reliefs including loss and damages."*

In view of the above Samiti places on record that the Government of Maharashtra should issue the necessary orders in this respect.

After deliberations, Samiti decides that after receipt of the necessary orders from the Government of Maharashtra it will be placed before Samiti for its consideration. Office to inform accordingly.
