**Attention : The Managements of Pvt. Professional Colleges  
under FRA**

We need to appreciate that un-precedent COVID-19 pandemic has wrought hovoc on all the strata of the Society. The economic devastation has left no individual, family or class untouched. In view of seriousness of calamity which has befallen all of us, it is our duty to contribute to the best possible extent to the humanitarian cause by voluntarily scaling down fee structure, giving relaxation / concession while collecting fees from the students newly admitted and seniors. Moreover, in the financially precarious students, it is expected of the college authorities to refrain from taking coercive steps in the matter of collection of fees.

Co-operation of all concerned is solicited.
