**RESOLUTION**

**In view of the following reasons Institutes / Colleges want extension for submission of fee proposals for A.Y.2021-22.**

1. Due to the COVID-19 pandemic situation and Lockdowns colleges are not fully functional as only 50% of the staff report to the duty on alternate days and rest work from home for want of commutation facility and to keep social distancing.
2. Due to the pandemic situation this year the Internal & Statutory Audits of Institutions have been delayed.

We realized the difficulties being faced by the colleges in submitting fees proposals. Till date, FRA has received less than 150 proposals. This indicates the gravity of the situation. It is, therefore, resolved to give permission to the colleges to submit fees proposal for A.Y. 2021-22, till **20<sup>th</sup> December, 2020.**
